

Pentland Joinery built an extension for us, joining our kitchen to our garage, in October 2011.

Pentland Joinery also fitted the new kitchen, new windows, front and rear doors and also modernised our front porch.

Every step of the way from the first meeting to the conclusion of the extension, Owen consulted with us and where possible gave us advice and options.

Owen and his team turned up on schedule, their standard of finish was excellent, they tidied up as they went and they made the whole experience painless.

We are very happy with the end result and would not hesitate in recommending Pentland Joinery.
